■ User Voices

■ "KYC verification is taking too long, been waiting for 3 days"
— Related to: *KYC & Verification*

■ "Great app for beginners, easy to understand"
— Related to: *User Experience*

■ "Withdrawal is stuck, customer support not responding"
— Related to: *Payment Issues*

■ Recommended Actions

1. Reduce KYC verification time by implementing automated document verification
2. Add real-time withdrawal status tracking to reduce support queries
3. Improve app performance by optimizing API calls and caching frequently accessed data
